**Luke 24:4-5**

**Read It:**  
**Luke 24:4-5**

**Talk It:**  
Is it easy to serve?

**Know it:**

The angel had been with the Prince of Peace since close to the beginning of time. He had watched the creation of people, "man." Then the unthinkable happened. The Creator stepped into His creation as a human being. The Heavenly Lord became an earthly servant. Then the creation turned on the Creator and nailed Him to a cross. Jesus had followers who had lived with Him for three years and did not understand what was happening. Then, an angel stepped in. An angel had been there to announce the birth of the Christ, and in this passage, an angel appeared at the empty tomb for another announcement. This time, the angel's job was not to announce a baby, but to proclaim that Jesus had risen from the dead. Jesus, who had raised others from the dead, had raised Himself! No further proof will ever be needed that Jesus is God and has the power to raise up all who believe in Him!

**Go Do It:**

The angel's job was to tell those who thought Jesus was dead that He was actually alive. It was the best news in the history of the world. The word "Gospel" means "Good News." Our job today is to do the same thing. To spread the Good News that Jesus is not dead but alive and can raise anyone from the dead who has put their faith in Him. Who have YOU told about Jesus?
