NOT ASHAMED

**I'm not ashamed to say the name
Of Jesus, Jesus
I'm not ashamed to say the name
Of Jesus, Jesus**

Turn the lights on
One, two, three
Crank the music
Play the beat
We've got a song to sing so let's sing it out

We won't hold back
We're just getting started
Tired of being quiet and silent
We have a race to run so let's run it now

I'll play Jesus on my music box
I'll shout it loud from every rooftop

**I'm not ashamed to say the name
Of Jesus, Jesus
I'm not ashamed to say the name
Of Jesus, Jesus**

Turn the lights on
One, two, three
Crank the music
Play the beat
We've got a song to sing so let's sing it out

We won't hold back
We're just getting started
Tired of being quiet and silent
We have a race to run so let's run it now

I'll play Jesus on my music box
I'll shout it loud from every rooftop

**I'm not ashamed to say the name
Of Jesus, Jesus
I'm not ashamed to say the name
Of Jesus, Jesus**

Plug it in
Crank it up
Rock the music
And spread the love
On a mission
That can't be stopped
Put the name of Jesus in shining lights
And let your life shine oh, oh, oh, oh
Let your life shine oh, oh, oh, oh oh
We're not ashamed, We're not ashamed
Let your life shine oh, oh, oh, oh oh
We're not ashamed, We're not ashamed
Let your life shine oh, oh, oh, oh oh
We're not ashamed

**I'm not ashamed to say the name
Of Jesus, Jesus
I'm not ashamed to say the name
Of Jesus, Jesus**

**I'm not ashamed to shout the name
Of Jesus, Jesus
I'm not ashamed to shout the name
Of Jesus, Jesus**

BETTER THAN THE BEST THING

Oh, Oh, Oh
Oh, Oh, Oh

Oh, Oh, Oh
Oh, Oh, Oh

Your love
There's nothing like Your love
Jesus, there's nothing like Your love

I can't stop my lips from singing
I can't stop my voice from shouting
About Your love
It's everything I ever wanted

**Jesus, You're better than the best thing
Your love is making my heart sing
Nothing could ever separate me from You**

Oh, Oh, Oh
Oh, Oh, Oh

Your grace
There's nothing like Your grace
Jesus, there's nothing like Your grace

I can't stop my lips from singing
I can't stop my voice from shouting
About Your love
It's everything I ever wanted

**Jesus, You're better than the best thing
Your love is making my heart sing
Nothing could ever separate me from You**

Oh, Oh, Oh
Oh, Oh, Oh

Your name is higher
High above any other
We'll sing Your praise forever
There is no one greater than You

Your name is higher
High above any other
We'll sing Your praise forever
There is no one greater than You

**Jesus, You're better than the best thing
Your love is making my heart sing
Nothing could ever separate me from You**

**Jesus, You're better than the best thing
Your love is making my heart sing
Nothing could ever separate me from You**

Oh, Oh, Oh
Oh, Oh, Oh

ALL THINGS (HEY, HEY)

You can't put Him in a box
You can't limit what He has
Our God is bigger
Our God is bigger

So open up your mind
Start believing in your heart
Our God is bigger
Our God is bigger

So take the limits off
And throw your doubt out

**Everybody say Hey, hey
God will meet every need
All for His glory
Hey, hey
He freely gives to you and me
He give us all things, all things, all things, all things**

(Hey, hey, hey)

No problem is too large
No need is too small
Our God is bigger
Our God is bigger

Before we even pray
He knows what we'll ask
Our God is bigger
Our God is bigger

So take the limits off
And throw your doubt out

**Everybody say Hey, hey
God will meet every need
All for His glory
Hey, hey
He freely gives to you and me
He give us all things, all things, all things, all things**

(Hey, hey, hey)

Our God is big
He's so, so big

(Our God is big
He's so, so big)

Our God is good
He's so, so good
(Our God is good
He's so, so good)

Our God is great
He's so, so great
(Our God is great
He's so, so great)

Our God is big
He's so, so big
(Our God is big
He's so, so big)

**Everybody say Hey, hey
God will meet every need
All for His glory
Hey, hey
He freely gives to you and me
He give us all things, all things, all things, all things

He give us all things, all things, all things, all things**

You Are Everything

Help me remember
You are the answer to every question in my life
Help me remember
You hold the answer for every problem I can't solve

I don't have to try all by myself
I can put my trust in You

**You are everything I need
You are what matters now to me
You are my maker, You are my Savior
I'm Your creation set free
Yes, You are everything
Everything I need**

Help me remember
You are the healer of every pain and every scar
Help me remember
Your healing power will mend my broken heart

No, I don't have to try all by myself
I can put my trust in You

**You are everything I need
You are what matters now to me
You are my maker, You are my Savior
I'm Your creation set free
Yes, You are everything
Everything I need
Yes, You are everything
Everything I need**

No care is too small
There's no road too far
No load is so big
That you can't take it all
Come do the impossible, in my life
Come do the impossible, I believe
You make all things possible, Jesus
You make all things possible

You are everything I need

**When I forget will You remind me
You are my maker, You are my Savior
I'm your creation set free
You are everything I need
You are what matters now to me
You are my maker, You are my Savior
I'm Your creation set free
Yes, You are everything
Everything I need**

EVIDENCE OF YOU

You blow my mind and exceed my expectations
So every day this will be my motivation
When I open my mouth
I want Your love to come out
And Your glory be seen

I want my life to be the evidence of You
I want the way I live to be somebody's proof
In every word I say
In all I try to do
I want my life to be the evidence
Evidence of You

This world is searching for a hero that can save them
But if they only knew the power that forgave sin
When I open my mouth
I want Your love to come out
And Your glory be seen

I want my life to be the evidence of You
I want the way I live to be somebody's proof
In every word I say
in all I try to do
I want my life to be the evidence
Evidence of You

Beyond the music, Beyond the noise
In every season I'll make a choice
I wanna stand tall and be a light that shines
Like a city on a hill, God, use me still

I want my life to be the evidence of You
I want the way I live to be somebody's proof
I want my life to be the evidence of You
I want the way I live to be somebody's proof
In every word I say
In all I try to do
I want my life to be the evidence
Evidence of You

Our God

Water You turned into wine
Opened the eyes of the blind
There's no one like You
None like You

Into the darkness You shine
Out of the ashes we rise
There's no one like You
None like You

**Our God is greater
Our God is stronger
God You are higher than any other
Our God is healer
Awesome in power our God, our God**

Into the darkness You shine
Out of the ashes we rise
There's no one like You
None like You

**Our God is greater
Our God is stronger
God You are higher than any other
Our God is healer
Awesome in power our God, our God**

**Our God is greater
Our God is stronger
God You are higher than any other
Our God is healer
Awesome in power our God, our God**

And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand against

**Our God is greater
Our God is stronger
God You are higher than any other
Our God is healer
Awesome in power our God, our God**

And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand against

ALWAYS WITH US

The God we serve
He is able
To deliver us
When things get rough
God makes us strong
When we are weak
He calms the storm
And He comforts me

We don't have to worry
We don't have to fear
God is always with us
God is always near

**And we won't be afraid
No matter what comes our way
If God is for us
What can stop us so we will say
Oh I know He's always with us, yeah
God is always with us, whoa
I know He's always with us, yeah
God is always with us, whoa
Whoa Whoa o, o, o**

The God we serve
He is able
To deliver us
When things get rough
God makes us strong
When we are weak
He calms the storm
And He comforts me

We don't have to worry
We don't have to fear
God is always with us
God is always near

Rap Featuring Canon:

Yeah, I been in the faith
It's been a couple years up in it, still I'm here today,
Folks probably know me cuz I rock with Crae,
But Canon all up in ya building with a word to say

Now I serve the King, oh certainly,
Couse He had my back like vertebrae,
And if you ain't know you can turn today,
Five, four, three, two, one aye work with me

Now God is with me like twenty-four/seven
I follow the Father not for me to get more blessings
I don't get honored but I want to watch him flex it
I been that student I been learning that lesson

Hope y'all get me, believe it Ripley
Christ had to be the one that had to flip me
Grace through faith been the words to lift me
Aye Yancy, I told you that God was with me, like hey

We don't have to worry
We don't have to fear
God is always with us
God is always near

**And we won't be afraid
No matter what comes our way
If God is for us
What can stop us so we will say
Oh I know He's always with us, yeah
God is always with us, whoa
I know He's always with us, yeah
God is always with us, whoa
Whoa Whoa o, o, o**

WHEN WE PRAY

God keeps His promises
He does not lie
Go ahead be confident
Don't be shy
You can talk to Him anywhere
You can call on Him anytime

God keeps His promises
He does not lie
Go ahead be confident
Don't be shy
You can talk to Him anywhere
You can call on Him anytime

Don't put faith in the wrong stuff
Faith in God brings peace and trust

**He always hears us when we pray
Remember that He knows your name
No matter where we are
No matter what we need
We can ask for anything
He always hears us when we pray**

God keeps His promises
He does not lie
Go ahead be confident
Don't be shy
You can talk to Him anywhere
You can call on Him anytime

He does not lie
Go ahead be confident
Don't be shy
You can talk to Him anywhere
You can call on Him anytime

Don't put faith in the wrong stuff

No matter where we are
No matter what we need
