I WILL

I have a different attitude
The old is gone and I am new
The Lord's my light
And my salvation
I won't be afraid
I won't back away
Not stepping down
I won't run away

I will
Bless the Lord at all times
I will
Know He's on my side
I will
Trust in Him always and forever
I will I will I will

I have a different point of view
Nothing is hard for me to do
I can do all things
Even make mountains move
If I believe in faith
And I speak in truth
Throw doubt away
Believe this is my day

I will
Bless the Lord at all times
I will
Know He's on my side
I will
Trust in Him always and forever
I will I will I will

I will trust in You no matter what I go through
You're my strength and song and
I will praise You all day long

I will
Bless the Lord at all times
I will
Know He's on my side

**I will
Trust in Him always and forever
I will I will I will**

**I will
Bless the Lord at all times
I will
Know He's on my side
I will
Trust in Him always and forever
I will I will**

**I will
Bless the Lord at all times
I will
Know He's on my side
I will
Trust in Him always and forever
I will I will I will**

**I will
Always and forever I will
I will, yeah**

FOR YOUR GLORY

I will not turn back from
Doing what You want me to
And though I may grow weary
I will find my strength in You

For You are great
You are good
And You're my God

**I want to live for Your glory Lord
To run the race set before me Lord
I want to live for Your glory Lord**

Every step I'm taking
Causes me to think of You
And how You've gone before me
And how You'll help me see it through

For You are great
You are good
And You're my God

**I want to live for Your glory Lord
To run the race set before me Lord
I want to live for Your glory Lord**

I want to run I want to live
For Your Glory Lord
I want to run I want to live
For Your Glory Lord
I want to run I want to live
For Your Glory Lord
I want to run I want to live

I want to live for Your glory Lord

**To run the race set before me Lord
I want to live for Your glory Lord**

**I want to live for Your glory Lord
To run the race set before me Lord
I want to live for Your glory Lord**

ALL AROUND THE WORLD

Dear God, I want to say hello
Dear God, I know You're there
Dear God, I'm in a place I've never been
Dear God, hold my hand

I'll be okay
Leave the light on
I'll call home
I'll be okay
As my night fades into day

**All around the world
All I know, all I have been told is
You are watching me
You're watching over me**

Dear God, I want to be Your friend
Dear God, I know You care
Dear God, my life is not my own
Dear God, You understand

I'll be okay
Leave the light on
I'll call home
I'll be okay
As my night fades into day

**All around the world
All I know, all I have been told is
You are watching me
You're watching over me**

Simple words of hope
Strengthen my weak heart
To the place where I find myself in You

**All around the world
All I know, all I have been told is
You are watching me
You are watching over me**

All around the world

**All I know, all I have been told is
You are watching me
All around the world
All I know, all I have been told is
You are watching me**

ASK ME...I KNOW

The world is full of questions
This life is full of choices
So many people searching for what they're living for
Sure as the sun shines and
Every star in the sky
Angels are rejoicing
I will tell you why

**Ask me, I know nothing can keep me down
Jesus turned my whole life around
Ask me, I know for God so loved the world
With Jesus I can do all things
Ask me, I know**

Every one has ups and downs
Every life goes round and round
But my feet are planted on unchanging ground
Jesus is the way
The truth, He is the the life
Peace that passes understanding
Joy unspeakable

**Ask me, I know nothing can keep me down
Jesus turned my whole life around
Ask me, I know for God so loved the world
With Jesus I can do all things
Ask me, I know**

There's only one way
Be a friend and shine for all the world to see
Jesus is alive
He lives in you and me
Let it shine, let it shine, let it shine

**Ask me, I know nothing can keep me down
Jesus turned my whole life around
Ask me, I know for God so loved the world
With Jesus I can do all things**

**Ask me, I know nothing can keep me down
Jesus turned my whole life around**

**Ask me, I know for God so loved the world
With Jesus I can do all things**

**Ask me
Ask me, I know**

**Ask me, I know
Ask me, I know**

YOU ALONE

Fill my heart
Till it overflows with love in every part
For all you've done, for all you give and who you are
An awesome God, full of love, I stand in awe

**For you alone are holy
You alone are worthy
To You alone I give my heart always
You alone are my God**

Take my life
Take my dreams and the pictures that I see
Every thought, let them move to your beat
An awesome God, full of love, I stand in awe

**For you alone are holy
You alone are worthy
To You alone I give my heart always
You alone are my God**

I love you
I need you
I will worship you my Jesus

I love you
I need you
I will worship you my Jesus

I love you
I need you
I will worship you my Jesus

**For you alone are holy
You alone are worthy
To You alone I give my heart always**

**You alone are holy
You alone are worthy
To You alone I give my heart always
You alone are my God**

GOD IS WITH US

God the Father
He's the one
Who was here before the world begun
Set the planets into motion
Put waves into the ocean

There to guide me
He never leaves me
Emmanuel
He is all around
Listen He's in every sound

God is with us
God is with us everyday
God is with us
God is with us everyday

Jesus Christ
He is the son
He came to be the perfect one
He forgives my many wrongs
He's the reason we sing our songs

He gives victory
Lives inside me
Emmanuel
We are never alone
Our God goes on and on

God is with us
God is with us everyday
God is with us
God is with us everyday

God is with us
God is with us everyday
God is with us
God is with us everyday

The sun lets in another day
To shine upon the world God made
His time has no end

He's my guide and my friend
Savior, creator
The history maker
He lights the way
Gives peace for each day
There's no reason to fear
He's the everlasting one

**God is with us
God is with us everyday**

**God is with us
God is with us everyday
God is with us
God is with us everyday**

**God is with us
God is with us everyday
God is with us
God is with us everyday**

**God is with us
God is with us everyday
God is with us
God is with us everyday**

**God is with us
God is with us everyday
God is with us
God is with us everyday**

THIS CHANGES EVERYTHING

This changes everything
This changes everything
This changes everything
Jesus changed everything

This changes everything
This changes everything
This changes everything
Jesus changed everything

I know who I am
I can see where I'm going
Good things come from above
I want the world to know
What Jesus did for me
Up on Calvary
He's turned my life around
I stand on solid ground

My thoughts, my words align with Yours
My heart, my mind won't be misunderstood

This changes everything
Oh the joy He brings
Jesus is in my life
This changes everything
I want to shout and sing
Jesus changes everything

This changes everything
This changes everything
This changes everything
Jesus changed everything

This changes everything
This changes everything
This changes everything
Jesus changed everything

I can do anything
His power strengthens me
All things are possible

I am thankful because
I know God's on my side
He's for me not against me
Don't have to be afraid
He comforts me so I can say

My thoughts, my words align with Yours
My heart, my mind won't be misunderstood

**This changes everything
Oh the joy He brings
Jesus is in my life
This changes everything
I want to shout and sing
Jesus changes everything**

**This changes everything
Oh the joy He brings
Jesus is in my life
This changes everything
I want to shout and sing
Jesus changes everything**

**This changes everything
Oh the joy He brings
Jesus is in my life
This changes everything
I want to shout and sing
Jesus changes everything**

**This changes everything
Oh the joy He brings
Jesus is in my life
This changes everything
I want to shout and sing
Jesus changes everything**

This changes everything
This changes everything
This changes everything
Jesus changed everything

All I Need Is You

Everyday let all within me
Bring you praise and bless your name
Let me be the light in darkness
That shines your love for all to see
Here I stand I'm drawing closer
To celebrate what you have done

Sending us His only son

Jesus you deserve my praise

NOT TO US

The cross before me
The world behind
No turning back
Raise the banner high
It's not for me
It's all for You

Let the heavens shake
And split the sky
Let the people clap
Their hands and cry
It's not for us
It's all for You

Not to us, but to Your name be the glory
Not to us, but to Your name be the glory

Our hearts unfold
Before Your throne
The only place
For those who know
It's not for us
It's all for You

Send your holy fire
On this offering
Let our worship burn
For the world to see
It's not for us
It's all for You

Not to us, but to Your name be the glory
Not to us, but to Your name be the glory

The earth is shaking
The mountains shouting
It's all for You
The waves are crashing
The sun is raging
It's all for You
The universe is spinning and singing
It's all for You

Your children dancing, dancing, dancing
It's all for You
It's all for You
It's all for You
It's all for You

**Not to us, but to Your name be the glory
Not to us, but to Your name be the glory**

**Not to us, but to Your name be the glory
Not to us, but to Your name be the glory**

Oh, Oh
Oh, Oh

**It's all for You
It's all for You
Jesus only You**
