## MAKE IT LOUD

I got my megaphone  
I wanna make it loud  
I need to shout this message  
Till the word gets out

I got a story to tell  
And I am not ashamed  
Cause the truth of this promise  
It will never change

Greater is He that's in me then anything that's in this world  
Oh Greater is He that's in me then anything that's in this world

**I won't stop  
I will sing  
Jesus is my everything  
Nothing could ever change my mind  
Oh  
I won't stop  
I will sing  
Jesus is my everything  
I'm gonna make it loud so the word gets out**

I got my megaphone  
I wanna make it loud  
I need to shout this message  
Till the word gets out

I've got a story to tell  
And I am not ashamed  
The truth of this promise  
It will never change

I can do all things through Christ who gives me strength  
Yes, I can do all things through Christ who gives me strength

**I won't stop  
I will sing  
Jesus is my everything  
Nothing could ever change my mind  
Oh**

**I won't stop  
I will sing  
Jesus is my everything  
I'm gonna make it loud so the word gets out**

Let me hear the drums  
Let me hear the bass play  
Let me hear that good ole rock-n-roll  
Everybody sing with me

I'm gonna make it loud  
Gonna tell this world what I'm all about  
I'm gonna make it loud  
Gonna shout Jesus nice and proud  
I'm gonna make it loud  
Gonna tell this world what I'm all about  
I'm gonna make it loud  
Gonna shout Jesus nice and proud

**I won't stop  
I will sing  
Jesus is my everything  
Nothing could ever change my mind  
Oh  
I won't stop  
I will sing  
Jesus is my everything  
I'm gonna make it loud so the word gets out  
I'm gonna make it loud so the word gets out  
I'm gonna make it loud so the word gets out**

## LOVE GOD HATE SIN

It's not conservative I'm asking you to be  
But I don't think that you should try to be like me  
You must make up your mind  
What are you gonna do?  
You would have to be a fool  
To not see what is true  
You gotta

**Love God, hate sin**  
**Refuse to lose, live to win**  
**Love God, hate sin**  
**Love God, hate sin**  
**Refuse to lose, live to win**  
**Love God, hate sin**

It's not a liberal I'm asking you to be  
But I don't think a suit and tie are gonna set the world free  
You must use your own mind  
Not the one that's on T.V.  
It comes down to holiness  
And true integrity  
You gotta

**Love God, hate sin**  
**Refuse to lose, live to win**  
**Love God, hate sin**  
**You better love God, hate sin**  
**Refuse to lose, live to win**  
**Love God, hate sin**

It's either black or white so don't look for grey  
The lights are flashing "keep out" where you want to go play  
Religion makes it harder  
With its prisons and its rules  
But in the end you're either with  
The wise men or the fools  
You gotta

**Love God, hate sin**  
**Refuse to lose, live to win**  
**Love God, hate sin**

**You better love God, hate sin  
Refuse to lose, live to win  
Love God, hate sin**

Love God, hate sin  
Love God, hate sin  
Love God, hate sin  
Love God, hate sin

There are so many amazing things  
Thank you

The way they love me cause they really care  
Thank you

**You are good to me  
All the time you guarantee  
You are good to me always  
No matter what is to come  
When life is perfect  
Or coming undone  
You are good to me always  
Oh every good and perfect thing  
Every good and perfect thing comes from You**

When I'm hanging with my friends  
We're all laughing cause the fun won't end  
Thank you  
I wanna say thank you  
And this smile across my face  
Is cause your love will never go away  
Thank you  
I wanna say thank you

I don't wanna lose the chance to tell You  
What You mean to me

Jesus You are so much greater  
And My life will speak Your fame

## SING YOUR PRAISES OUT

Ain't nobody gonna take my place  
Ain't nobody gonna sing my song  
This is what I was made for  
Gonna lift my voice and make His praises known

Oh  
Our God is big and He is worthy  
Oh  
Our God is big and He is worthy

**Sing your praises out  
If we keep quiet the rocks will sing it  
Make your praises loud  
All creatures of our God and King  
All day long  
All night long  
With every breath  
We'll sing our song  
Sing your praises out  
Our God is big and He is worthy**

Hey, hey, hey  
Everybody sing  
Hey, hey, hey

Ain't nobody gonna take my place  
Ain't nobody gonna sing my song  
This is what I was made for  
Gonna lift my voice and make His praises known

Oh  
Our God is big and He is worthy  
Oh  
Our God is big and He is worthy

**Sing your praises out  
If we keep quiet the rocks will sing it  
Make your praises loud  
All creatures of our God and King  
All day long  
All night long  
With every breath**

**We'll sing our song  
Sing your praises out  
Our God is big and He is worthy**

Hey, hey, hey  
Everybody sing  
Hey, hey, hey

Everybody sing out  
Lift your voice and shout  
Give your praise to the one who saves us  
Make your praises loud

**Sing your praises out  
If we keep quiet the rocks will sing it  
Make your praises loud  
All creatures of our God and King**

**Sing your praises out  
If we keep quiet the rocks will sing it  
Make your praises loud  
All creatures of our God and King  
All day long  
All night long  
With every breath  
We'll sing our song  
Sing your praises out  
Our God is big and He is worthy**

Hey, hey, hey

Hey, hey, hey  
**Our God is big and He is worthy**

## FOREVER AND EVER

I'm gonna play my guitar  
And sing my songs  
I'm gonna tell this world  
That it's not my home, no

My time on earth  
Is like a ticking clock  
Better make it count  
Before the time runs out

This is my temporary home  
But when the trumpet sounds  
Adios

**Forever and ever and ever, yeah  
Forever and ever and ever, yeah  
Forever and ever and ever  
I'm gonna walk on the streets of gold  
And worship the one who saved my soul**

So I'll make my mark  
On history  
Cause where your treasure is  
There your heart's gonna be

All this stuff on earth  
Will fade away  
In the blink of an eye  
Like an Ocean's wave

This is my temporary home  
Heaven is calling  
I gotta go

**Forever and ever and ever, yeah  
Forever and ever and ever, yeah  
Forever and ever and ever  
I'm gonna walk on the streets of gold  
And Worship the one who saved my soul**

Forever and ever

Forever and ever  
Forever and ever  
Forever and ever  
Forever and ever  
Forever and ever

This is my temporary home  
Heaven is calling  
I gotta go

**Forever and ever and ever, yeah**  
**Forever and ever and ever, yeah**  
**Forever and ever and ever**  
**I'm gonna walk on the streets of gold**  
**And Worship the one who saved my soul**

## GOD IS FOR ME

I'm so glad that I know  
Nothing is impossible  
I'm so glad that I know  
The creator of this world  
I'm so glad that I know  
With Christ I can do anything  
I'm so glad that I know  
He finishes what He begins

Nothing could change  
Nothing could separate  
Nothing could ever change my mind

**God is for me not against me  
I have nothing to fear  
He makes me strong  
This I know  
God is for me not against me  
I have nothing to fear  
He loves me so  
This I know  
God is for me**

I'm so glad that I know  
I don't have to be afraid  
I'm so glad that I know  
God gives victory  
I'm so glad that I know  
Everyday I can overcome  
I'm so glad that I know  
To be strong and courageous

Nothing could change  
Nothing could separate  
Nothing could ever change my mind

**God is for me not against me  
I have nothing to fear  
He makes me strong  
This I know  
God is for me not against me**

**I have nothing to fear  
He loves me so  
This I know  
God is for me**

I will not fear  
God is for me  
God is for me  
I will not fear  
God is with me  
God is with me  
I will not fear  
God loves me  
God loves me  
I will not fear

**God is for me not against me  
I have nothing to fear  
He makes me strong  
This I know  
God is for me not against me  
I have nothing to fear  
He loves me so  
This I know**

**God is for me not against me  
I have nothing to fear  
He makes me strong  
This I know  
God is for me not against me  
I have nothing to fear  
He loves me so  
This I know  
God is for me

I wanna love You  
With my life

More and more

Let my heart learn how to love like You  
So my choices and the things I do  
Bring a smile to your face

## Don't Stop (Yesterday's Gone)

If you wake up and don't want to smile  
If it takes just a little while  
Open your eyes and look at the day  
You'll see things in a different way

Why not think about times to come  
And not about the things that you've done  
If your life was bad to you  
Just think what tomorrow will do

**Don't stop, thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be, better than before  
Yesterday's gone, yesterday's gone  
Ooh, don't you look back  
Ooh, don't you look back**

All I want is to see you smile  
If it takes just a little while  
I know you don't believe that it's true  
They never meant any harm to you

**Don't stop, thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be, better than before  
Yesterday's gone, yesterday's gone**

**Don't stop, thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be, better than before  
Yesterday's gone, yesterday's gone  
Ooh, don't you look back  
Ooh, don't you look back  
Ooh, don't you look back  
Ooh, don't you look back**

## **I BELONG TO JESUS**

I am healed, restored and forgiven  
By the love of my Lord  
I will sing  
For all of my days  
And every season  
Your grace holds me  
And Your love surrounds me

**I belong to Jesus  
He is mine  
I worship Him forever  
And His love divine  
Oh, I belong to Jesus  
I belong to Jesus**

I am healed, restored and forgiven  
By the love of my Lord  
I will sing  
For all of my days  
And every season  
Your grace holds me  
And Your love surrounds me

**I belong to Jesus  
He is mine  
I worship Him forever  
And His love divine  
I sing to Him a new song  
For what He's done in me  
I'm a child of the Father  
That has been set free  
Oh, I belong to Jesus  
I belong to Jesus**

His loving arms  
Will never let me go  
I belong to Jesus  
His sweet embrace  
Holds me this I know  
I belong to Jesus  
Oh His faithfulness

It will never end  
I belong to Jesus  
Let creation sing  
All of the redeemed  
I belong to Jesus

**He is mine  
I worship Him forever  
And His love divine  
I'll sing to Him a new song  
For what He's done in me  
I'm a child of the Father  
That has been set free  
Oh, I belong to Jesus  
I belong to Jesus  
I belong to Jesus  
I belong to Jesus**
